Are you having any of the following common financial concerns?

- I have trouble paying bills because they are confusing to me.
- I don't feel confident making big financial decisions alone.
- I don't understand financial decisions that someone else is making for me.
- I give loans or gifts more than I can afford.
- My children, or others around me, are pressuring me to give them money.
- People are calling me or mailing me asking for money.
- Someone is accessing my accounts. Money seems to be disappearing from them.
- Someone is cashing my pension, insurance or other cheques without permission.
- Someone has forced me to sign a power of attorney, sell my house or change my will.

FCNB has a mandate to provide consumer and investor protection.

While anyone can be a victim of frauds, scams or financial abuse, New Brunswickers over 50 are particularly at risk, and the consequences of victimization can be more severe for this age group.
