*And fallen men may rise again
on wings of prayer.
Hymn*

A young priest's life spirals out of control when long-submerged memories of childhood abuse begin to surface. He seeks solace in a friendship with a beautiful seventeen-year-old-choir girl but this leads to a frenzied love affair that ends in disaster. *Fallen Men* touches on some dark themes but it is ultimately a novel of redemption.

By [Brian O'Hare](#)

Fallen Men has been the recipient of two literary awards - Top Medallist Honours in the General Fiction category of the prestigious New Apple 2015 Awards for Excellence, and the IDB Amazon Award in 2013..
