The Secretary
All Transport Clubs

Dear Members

The Museum of Fire is a Club in its own right and is also a member of the Council of Motor Clubs. The Museum is a Community Museum and a Registered Charity, also an approved club with Roads and Maritime Services for the Historic Vehicle Scheme.

It is with pleasure that I wish to extend an invitation to your Club Members with Commercial Vehicles (as described in the attached information to participants) to attend the 8th Annual Sydney Classic & Antique Truck Show to be held on Sunday 27th May 2018. This event is open to all veteran, vintage and classic Trucks & Buses, Utes, Vans, Military & Fire vehicles or any other historic vehicle permitted by the organisers that is 30 years or over. Just ask if not sure if you qualify. Yes cars do attend. This show is held to promote the collecting, conserving and the restoration of heavy vehicles.

In doing so, your Club could consider making this a Club event to allow as many of your members as possible to attend.

This Show is not about better or best, but to promote collecting and preservation of vehicles and more importantly to encourage younger members.

The Museum hosts and runs many other shows please check out our website www.museumoffire.com.au

If I can be of any assistance, please do not hesitate to call 0418 402 478.

Yours sincerely

Mark White AFSM OAM
Executive Chairman
