The Easter Lamb

Mark Conte

In the Vianello family, a lamb is bought on Good Friday, fattened up all day Friday and Saturday, and slaughtered Saturday night to be cooked for Easter dinner. But this year, the children devise a daring plan to rescue it from this fate.

“light-hearted with abundant humor ...four out of four stars. I loved both the story and its characters”

In the Vianello family, a lamb is bought on Good Friday, fattened up all day Friday and Saturday, and slaughtered Saturday night to be cooked for Easter dinner. But this year, the children devise a daring plan to rescue it from this fate.

“light-hearted with abundant humor ...four out of four stars. I loved both the story and its characters”
