

A children's rhyming book for ages 2-5, introducing Sweet Caroline. It is the first of a series of books, The Adventures of Sweet Caroline, which will take you through this young girl's school years and shows how she always maintains her good manners ... Caroline has many great experiences, and has to overcome a few obstacles, but she always seems to maintain her good manners, grace, and keeps a smile on her face. This is why her friends all call her "Sweet Caroline".
