Rigorous (deep sand) training targeting the growth of the total beach doubles athlete. The focus of the 9 session camp will be on the development of: ALL-around skills, techniques, strategy, and volleyball IQ so that each athlete leaves the camp with the tools necessary to play at a high level. Although we will be focusing on Beach Doubles, because of the dynamics of the game, there is a huge positive carryover to the indoor court as well. Each athlete will become more confident as they will be exposed to every skill and phase of the game. At the completion of the camp, every player will be a more well-rounded player and explosive athlete. Ready to compete in Summer doubles tournaments, and prepared to challenge for a spot on their Fall team! Your son/daughter will be challenged daily during a variety of drills and game-like situations. The sessions will be differentiated to challenge everyone in camp from beginning to advanced skill levels. We will maximize quality reps, and create a competitive environment for the campers. Work hard and have fun will be the philosophy this SUMMER! *(Sign up ASAP as sessions will fill up quickly)*
