Prayer Letter

Dear Pastors & Praying Friends,

Thank you so much for your prayers for us this Christmas season. We are so grateful to report that we had nearly 20 first-time visitors attend one of our services over this Christmas season! Several of these were friends that we have made over the last few years and been slowly trying to share the gospel with. One family is a Muslim family originally from Algeria that Teri and the girls met through their school. They came to our Christmas services and heard the gospel. Another family came through a friend that Grant made at school. The mother and children came a couple weeks ago and returned this past Sunday with the father. So, we just want to praise the Lord for the gospel seeds that were sown and ask you to keep praying for God to bring forth salvations and real spiritual growth.

We are also so thrilled to share with you that we received all of the funds for the building for Northwest Baptist Church in Derry, Northern Ireland! As you know from our last letter, we were down to a final \$35,000 - all of which came in before Christmas! Now we are waiting on the lawyers to do their checks and to finalize the sale. Please pray that these final steps will proceed smoothly and quickly. I cannot tell you what a miracle is that God provided a total of over \$116,000 for the church since we starting raising funds three years ago. He did this through many willing churches and individuals around the world. Thank you for praying and thank you for giving!

Please pray for our church as we prepare to go on furlough in August 2019. Pray for the members of our church to continue growing in maturity and wisdom as they serve in various ministries. Please pray for some of the regular attenders to be more committed and become members. Please pray for those who attend the church regularly but are still not saved to realize their need of salvation. And please pray for God to raise up leaders who will be able to teach God's Word and disciple others, especially young men who might want trained for ministry.

Thank you so much for your faithful prayers and support of our family this past year. You have been so good to us and taken care of us in amazing ways. We could not do what we are doing without your help. We look forward to what God has in store for 2019!
