## Why The New City Catechism?

Catechism is a tool for teaching important information using a question and answer format. You probably use catechism with your kids without thinking about it. We will talk a little more about this on Wednesday night with parents.

If you are a parent, please make plans to join us for a short time of equipping focused on how to make the most out of the truths your children are learning. This will take place in the Sanctuary from 6:00 - 6:20.

This week we are answering Question 1:

**What is our only hope in life and death?**
