

Poor Little Billy

written by
Jane Finch

illustrations by
Jack Foster

book four of the **Chickens Laugh Out Loud** series

Poor little Billy is being picked on again. All she wants is to play with the other chickens, but they won't let her join in. She watches from a distance, feeling sad, until the farmer appears. When the other chickens cannot see, the farmer gives Billy lots of cuddles. Billy feels really special and doesn't feel sad anymore.
