Rosita Bird

"Eat your vegetables or you'll get weak eyes - you never see a rabbit wearing glasses!" Or do you? Ruby Rabbit doesn't like carrots and falls behind in school because she can't see the whiteboard properly. After a visit to the optician she gets sparkly new glasses and all is well! And she discovers carrots aren't so bad after all ... Beautifully illustrated by

Lynn Costelloe,
ROSITA BIRD's

lovely story reinforces the importance of eating a healthy diet, in a fun and entertaining way.
