After a quick summer break, our first meeting of 2008/2009 is scheduled for **September 9th** and consists of a **Tour of the Moncton Hospital Ambulatory Care Unit**. The tour will begin at 5:30 PM and be given by Bill Goobie, P. Eng, Systems Engineer, South East Regional Health Authority. Diner will be immediately after the tour at 7:00 PM at **McGinnis Landing**.

The September meeting is **Student Night**. Attending local ASHRAE Chapter meetings is a great way to meet people working in the industry. A reminder on dinner prices: new members, students and first time guests (potential members) receive their first meal free; thereafter, students pay \$10 and others pay \$20.

Executive Meeting Notice

A reminder to the Executive, Board of Governors, and the Committee Chairpersons that the executive meeting will start at 3:30 PM at McGinnis Landing.

September Meeting

The Phase 2 work at the Moncton Hospital involves interior finishes and fit-ups for the new four-level addition to the hospital, as well as construction of an atrium linking the existing building and services to the new addition. Exterior site work and landscaping will also be completed, and hospital accessibility will be improved.

Renovations to the current structure are also part of Phase 2, and include new connecting corridors, two new teaching boardrooms, new washrooms, and upgrades to the roof. The \$47-million modern and innovative ambulatory care, new trauma and emergency department, and state-of-the-art laboratory is a major trauma and critical-care referral centre, this project will enhance the care we provide to patients from New Brunswick, Prince Edward Island and northern Nova Scotia.

Scholarship Announcements

The \$500 NB/PEI ASHRAE Chapter Scholarship for a son or daughter of a Chapter member was presented to Jordan Gillis, a first year student at UNB.

Charline Godin, a second year BSET student in the Civil Engineering Technology department, has won the Emile R. LeBlanc Memorial scholarship in the amount of \$1000. The award is provided annually by the New Brunswick and PEI chapter of ASHRAE. Presenting the award is the ASHRAE Student Activities chair John Willden, P.Eng. MBA, who is also the HVAC instructor at NBCC Moncton. Three BSET students, Charline Godin, Jessie Christenson and Denis Hebert are all on the Deans List at the college.

ASHRAE News

Under a new agreement, ASHRAE and the Global Cold Chain Alliance will work together in a strategic partnership to advance and promote the mutual interests of refrigeration and facility professionals.

Potential collaborative efforts include development of a refrigerated warehouse guide, updating the existing refrigeration warehouse chapter and other guidance in the ASHRAE Handbook, Refrigeration, and co-sponsoring of research related to refrigeration. For more information, see www.ASHRAE.org.

ASHRAE NB/PEI Golf Tournament

Once again we had an excellent NB/PEI Chapter golf tournament with 70 golfers attending the event at the Moncton Golf & Country Club on August 7 th. Again we had a good turnout from our associates from the Nova Scotia Chapter and guests from around the region. The weather cooperated for all but a few holes where players were taking cover. The low score for the tournament was 62 by Jim Morris, Lloyd Morrison, Steven Erb, and Tony Simpson. Everyone walked away a winner as the Surf and Turf meal was a repeat of our previous experience and was superb! Once again we thank Gary and Jackie Fahie and their crew (Jim and Gord) as well as the Elks Club for a fine dining experience. Claire Daigle won the closest to the hole prize on hole 2, Peter Melnyk won it on hole 17, while Curtis Foran won the longest drive contest.

The annual Boat Race was also held toward the end of the evening, with prize donations by Global Mechanical. I am sad to report that the Herring Choker team has lost their title this year but the spillage by the Nova Scotia team is still under protest.

Thanks go out to the many hole sponsors :

Junior Golf at MGCC also benefited from the sponsorship of MacLeod and Grant for the BBQ food and refreshments on # 2 from Global Mechanical. Many thanks go to them for raising over \$300 for the young golfer program at MGCC.

None of this happens by accident and thanks go to the many volunteers that ensured everyone had a great experience. ASHRAE members Luc Dugas, Craig Brown, Dan Boudreau, Gerry Waselynychuk, Gary Fahie, Grant Bourque and Jim Morris deserve our thanks for their volunteer efforts. Thanks also go out to all those that donated prizes for the tournament and we look forward to this great event next year.
