May-June 2014

Dear praying friends,

Psalm 142:4 says, "I looked on my right hand, and beheld, but there was no man that would know me: refuge failed me; no man cared for my soul." I heard this verse preached at a missions conference a few weeks ago. How sad that so many in this world can truly say, "No man cared for my soul!"

We have had an extremely exciting (and busy) past two months. We have been in seventeen churches during that time, including six missions conferences. I would love to be able to write about each of these churches, but will just share a few highlights right now. At one of these conferences, we were privileged to be a part of a Bible project, helping to put together John and Romans for the people of Hungary. At one, a teenage girl accepted Christ after hearing my salvation testimony. At another, a church has tripled their faith promise commitment in the past two years. To God be the glory! It is amazing to see God working in so many churches, touching us to care for the lost man's soul!

We had the opportunity to visit a church and met a woman named Esther. She and her family are from Donna's hometown of Grenville, Grenada, where God has called us. Her father is the pastor of a church where Donna's grandmother and mom attended for years, and they all know each other! Esther told me she had been praying for someone to go into this area and preach Christ and salvation scripturally and reach lost souls for Him.

Over the next two months, we will be travelling in Pennsylvania, Virginia, Tennessee, and Maine. Please pray for safety in our travels. Pray that our family will be able to get some rest following such a busy time. Brielle is now eight months old, and is crawling and pulling herself up. She recently said her first word as well—DaDa!

We need your prayers for God to fill our summer and fall schedules with productive meetings. We rejoice that one of the conferences we were in took us on for financial support almost immediately, while a number of the others have shown an interest in supporting us as well. Pray that God would provide the finances for them to be able to partner with us as we endeavor to reach Grenada for our Saviour. Please pray also that during our deputation ministry, we will not lose sight of the need to care for the souls around us!

In Christ,

The Childers Family
