**SOUL OF A WARRIOR**, by Denna Holm.

<http://crimsoncloakpublishing.com>

A handsome blond stranger shows up at Kimi Wicker's place of work claiming to be her mate. But he also claims to be from another world. She does what any sane woman would do in her situation. She runs. Tagging along are her two best friends and a feisty tabby cat. No one could anticipate the second stranger showing up, one with a completely different agenda.

Kimi and her friends are abducted by the second man, a vampire, and abandoned on a hostile alien world. Given only the clothes on their back, they must now try to find a way back home again.

One man will do everything in his power to see Kimi and her friends are brought safely back home, even sacrifice his own life. The second man wants Kimi and her mate to suffer, alive, but forever out of reach of each other. Kimi and her friends must work together against astronomical odds for any hope of surviving this nightmare.
