

I am walking the sacred Corn Pollen Path
to ultimate enlightenment,
Even through the obstacles
that are put before me,
I sing, chant and pray
with my faith in the Holy People
and the universe who was here before me
and will be here after my existence.

I step upon the holy spectrum of light
I shall travel abroad
as I sing, chant and pray
as the Holy Wind carries me away to
ultimate love, ultimate peace ultimate beauty
and ultimate harmony!

Singing

TAA ALTSOH HOZHO NAY YEH,
TAA ALTSOH HOZHO KAH,
TAA ALTSOH HOZHO NAY YEH HALA
GHA AY YEH!

(All is beautiful, I am walking in beauty, all is
beautiful indeed!)
