YOUR MISSIONARIES TO
CAMEROON WEST AFRICA

Dear Supporters, and Praying Partners,

Four years ago this week, we stepped off a plane for the first time in Cameroon. We spent 11 days with the Owens family, and God gave us a greater burden and desire for the salvation of their souls. We knocked on doors, witnessed to people, and some of them received Christ as their Saviour. When we left Cameroon to come back to the United States, I asked my wife what she thought of the whole trip. She turned to me and said, "It feels like home."

It is hard to believe that 4 years have passed since our first survey trip to Cameroon. Through these years we have learned so much. God has used each lesson in our lives to prepare us for greater service for Him. We have just as much; if not more desire than we ever had to get to the field God has called us too. We are excited that in just a couple months we will be moving to Cameroon as a family to begin the work God has for us to do. We are praying that we will have purchased our tickets by the end of September. We have some money that has been designated for our tickets and visas, but we still need about \$4,000 in order to purchase our tickets, and apply for our visas. We know God will provide for this need in His timing. Please pray with us about this need.

In early August we were able to drop off the items we needed to ship, and on August 22, 5 barrels, 1 large tote, and 3 mattresses left the port in Maryland in a container headed to Cameroon. These items are expected to arrive in late October or early November. We want to thank all those that donated to the cost of shipping these items. We praise the Lord for safety as we traveled across the country to ship these items. In just 2 weeks our belongings went from a storage unit in California to a shipping container in Maryland.

We have had many good meetings in the last 2 months, and several have added to our support. We have currently raised 78% of our support. Please pray that we could raise the rest before we leave in December. If you are sending in monthly support make sure to put "Benson #1459" in the memo line of your check. This will ensure it gets to us, and not another missionary.

Thank You for your prayers and financial support,

Caleb Benson ~ Missionary to Cameroon,
