## March Meeting

The March meeting is scheduled for **March 13<sup>th</sup>** at **Boomerangs Steak House**. The topic for this meeting will be **Commercial HVAC Systems** delivered by **Mr. George McGrath**. The social hour will begin at 5:00 PM with a cash bar. The presentation will follow at 6:00 PM. Dinner will be served at 7:00 PM.

March's meeting is **Membership Night**.

## Executive Meeting Notice

A reminder to the Executive, Board of Governors, and the Committee Chairpersons that the executive meeting will start at 3:30 PM at Boomerangs.

## Curling Bonspiel

The Annual MCA New Brunswick Curling Bonspiel is again on in Moncton in April. We hope that all members, associate members, prospective members and friends of MCA New Brunswick will participate. Again this year, the bonspiel jointly hosted with the local ASHRAE Chapter. You can still either enter as a full rink or as an individual (we will see that you get placed on a rink). But remember registration is limited to 20 rinks (80 individuals)

**Remember, experience is absolutely not necessary.**

The cost will be only \$45 per person, which includes morning coffee break, a hot lunch and dinner in the evening, along with the cost of ice rental.

Prizes will be awarded, and "first" will not necessarily be "best". So mark March 24th on your calendar, fill out the enclosed registration and return it with your payment as soon as possible.

**PLEASE HAVE YOUR REGISTRATIONS IN BY MARCH 16th.**

**Registration form can be found on Page 3**

See you March 24th

**PS:** Any and all donations to the prize list will be graciously accepted and greatly appreciated. Please contact me prior to March 21<sup>st</sup>.

## NB/PEI ASHRAE Chapter Scholarship

NBCC for \$1000 was awarded to Andrew Gordon in November 2006.

Andrew is a senior year student at NBCC Saint John. He is enrolled in the Energy and Environment option of the Mechanical Engineering Technology program.

The photo shows the scholarship being presented to Andrew (left) by Doug Scott, Instructor in the program.

This scholarship is awarded to a student who has completed his or her first year and is pursuing his or her second year in the Mechanical Engineering Technology, Option: Buildings - Energy and Environment (Co-op) program at the Saint John Campus of the New Brunswick Community College

## ASHRAE's Sustainability Roadmap

The approach to defining a leadership position in sustainability

ASHRAE's Sustainability Roadmap provides goals and guidance necessary to assist the Society in defining a leadership position in sustainability. The Roadmap includes:

- Background for Roadmap Development
- Market Demand for Sustainability Leadership
- What is Sustainability?
- ASHRAE's Goals for Sustainability
- ASHRAE's Impact on Sustainability
- ASHRAE's Relationship with Other Organizations
- Implementation Plan: Recommendations for Achieving "Engineering for Sustainability" Leadership
- Sustainability Roadmap Milestones

## ASHRAE Members Get Energized in Dallas

ATLANTA - The adage that everything is bigger in Texas proved true for the 2007 ASHRAE Winter Meeting held last week in Dallas.

ASHRAE can boast of a large turnout for overall meeting attendance, record attendance at social events, and high attendance at the International Air Conditioning, Heating, Refrigerating (AHR) Exposition cosponsored by ASHRAE and the Air-Conditioning and Refrigeration Institute (ARI).

"Obviously our members took the meeting theme of 'get energized in Dallas' to heart," Terry Townsend, P.E., ASHRAE president, said. "Our meetings are an integral part of our Society, providing attendees with a first-hand look at the latest technology and allowing them to advance their education, network with fellow members from all over the world and influence technology."

ASHRAE will hold its 2007 Annual Meeting in Long Beach, June 23-27, followed by its 2008 Winter Meeting, Jan. 19-23 in New York, accompanied by the AHR Expo, Jan. 22-24.
