Project:

A NEW AG SHOP / HOME ECONOMICS BUILDING & ALTERATIONS TO EXISTING BAND BUILDING FOR FALKVILLE HIGH SCHOOL FOR THE MORGAN COUNTY BOARD OF EDUCATION DECATUR, ALABAMA

MCKEE PROJECT NO. 18-227
ALABAMA BUILDING COMMISSION NO. 2018501

The following changes and/or substitutions to the plans and specifications are hereby made a part of same and are incorporated in full force as part of the contract.

Bidders shall acknowledge receipt of this Addendum in writing on his Proposal Form.

A6.1 GENERAL MODIFICATIONS:

A. None

A6.2 SPECIFICATION MODIFICATIONS:

A. None

A6.3 DRAWING MODIFICATIONS:

A. None

B6.1 CLARIFICATIONS & RESPONSES:

A. See the following responses to RFI questions received from Contractor's

Question:

Specification Section 10110 mentions a display case in this scope of work. Please provide a detail and location of this item.

Answer: Band Building labeled Trophy Case.

Question:

Specification Section 10670 mentions metal shelving in this scope of work. Please provide a detail and location of this item.

Answer: Labeled Wood Rack in shop area.
Question:

After reviewing Drawing A1.1 and reviewing the Section 12000 - Welding Booths in the Falkville Specs, it may be better served to have (8) WB-5055 single booths as opposed to (3) WB-5055D and (2) WB-5055 single that would be required for the configuration of Welding unit 5 being bumped out from the wall and Welding unit 8 as a stand alone booth. The WB-5000 dual booths are designed for a shared top-mount collector. As your project does not require the top-mount collector the dual booths are actually a bit more costly than the single units and serve no additional functionality.

Answer: (8) WB-5055 single booths is acceptable.

Question:

Will business license, permit fee or city inspection fees be required on this project?

Answer: It is the contractor’s responsibility to meet all local jurisdiction requirements. Contractor is advised to contact these jurisdictions prior to bidding for costs associated with these requirements.

Question:

Is all exterior concrete to be in base bid including concrete around 24x48 greenhouse?

Answer: Exterior concrete is in base bid EXCEPT for the concrete around the greenhouse.
