

# Arlington Baptist School

We are thankful for all God is doing here at Arlington! The Lord has allowed us to continue to provide a quality, Christian education for your children. It's hard to believe that as we've turned the page into 2018, it's time to begin thinking about next school year! Although educational costs are rising all around us, we are excited to be able to keep tuition below \$7000 again this year. We strive to remain affordable, so that families of all socio-economic backgrounds have an opportunity to choose a Christian education.

## **RE-REGISTRATION FEES:**

The registration fee for returning students is \$200 per student. This fee is NON-REFUNDABLE. All returning students must re-register. Returning students will have first priority registration until March 1<sup>st</sup> when registration opens to the public. Students who are not re-registered will not be considered in our enrollment count for the upcoming school year. As plans are made for the upcoming school year (teacher employment, book orders, etc.), timely re-registration is imperative. Because late re-registration often causes rushed book orders and last minute planning, the cost to re-register will increase incrementally after May 2<sup>nd</sup>. (Please see the timeframe chart below).

Re-Registration Timeframe	Cost Per Student
February 1 <sup>st</sup> - May 1 <sup>st</sup>	\$200
May 2 <sup>nd</sup> – July 31 <sup>st</sup>	\$250
After July 31 <sup>st</sup>	\$300

## **TECHNOLOGY FEE**

A \$100 technology fee will be paid for every student. This fee provides for technology services here on the campus which includes the purchase or upgrade of corresponding hardware, infrastructure, software and support.

## **NEW FAMILY REFERRAL INCENTIVE**

This program will allow you to receive a tuition credit for any family you refer that results in a new enrollment of a paying student. Some restrictions apply (Please see the New Family Referral Incentive form enclosed).
