Summer Reading 2018-2019

In preparation for the upcoming school year, we ask that your 7th-12th grader participate in a summer reading assignment. This program will allow the students to accomplish more outside reading than time permits during the school year.

The following is a list of selections per grade. Students who were re-registered before the end of the school year, already received this book. If you re-registered over the summer, you will need to get this book from the high school office. If you are unable to enroll until later in the summer, you may want to get these from the library to begin the reading.

7th-10th grade parents—There is an assignment that will need to be completed as your student reads their assigned book over the summer. It will be due the 2nd week of school. If your student has misplaced the assignment information, it will also be available online.
