GRADES 7-12

We will be using a binder **organizational system again** this year to help our students keep track of their papers and be better prepared for class. The 3 ring **binder system** will be required for grades 7-9 and highly encouraged for grades 10-12. We believe it will greatly enhance their success in the classroom. A **2017-2018 Student Planner** will be given to all junior high and high school students (grades 7-12) free of charge.

Below is a list of basic school supplies that your child will need on the **first day** of school. We will organize them together during in-school orientation. Each teacher will inform your child of any additional school materials that will be needed for their individual classes.
