VOLUME 32 | NO 1 | SPRING 2017

We are grateful that we have an additional exam room that will be used specifically for these appointments. We are blessed to be able to do our work in a facility that we own completely. What a gift to be debt-free as a ministry!

Prenatal Care

U pdate! We are working to expand the services we provide to include prenatal care! Did you know that for many low-income women in Montgomery, it can be weeks or even several months into their pregnancy before they are able to receive their first prenatal care appointment? We want to help bridge that gap! We believe this will help take away one of the factors that could add pressure in situations where women are vulnerable to abortion.

Libby Verble

We are excited to announce that we are starting this service in the March-April time frame. We are grateful to Jackson Hospital, who has agreed to donate the labwork service at no cost to us! If you are interested in specifically volunteering in this capacity, contact our nurse manager, Libby Verble (libby@firstchoicewmc.com or 334.260.8010).

W e were honored once again to be chosen as recipients of a grant from the **Kiwans Club of Montgomery**. This organization has generously supported our ministry over the years. This year's grant will help us with the purchase of much-needed technology upgrades, including laptops, iPads, and a new telephone system. We were blown away at the award ceremony by all the good work being done by so many non-profits in our community, and honored that we were chosen to receive funds. We are thankful for the Kiwanis Club and their willingness to invest in us and in so many others who are working to make Montgomery a better place. **Thank you Kiwanis!**

Welcome New Staff Member Laura McLemore!

We are so excited to welcome to our team Laura McLemore! Laura started in January as our new client services director. She is in charge of managing all the staff and volunteers who provide direct services to our clients. Laura is set to graduate from Faulkner University in May with a Master's in Counseling, and before coming to work with us, she had just completed her internship with the Family Sunshine Center here in Montgomery.

Laura is a Montgomery native and is engaged to be married to Cory Williams this coming October. She is an active member at First Assembly of God. "I am passionate about seeing women choose life for themselves and for their baby," Laura said. "My favorite part about working here thus far is working with amazing women who uplift me every day, seeing salvations happen frequently, and being able to encourage women on a daily basis."

Welcome to our team! We can't wait to see all that God has in store for her life and ministry with us!

Call for Volunteers

EPHESIANS 4:16

"He makes the whole body fit together perfectly. As each part does its own special work, it helps the other parts grow, so that the whole body is healthy and growing and full of life."

WE NEED YOUR HELP!

Would you be interested in getting involved in our ministry in a more personal way? We are recruiting weekday volunteers who will serve as client advocates (peer counselors), receptionists, and nurses! Perhaps you've been interested in getting involved, but being one-on-one with clients in the counseling room sounded intimidating for you. But maybe you'd be willing to help out by answering the phones and performing other office tasks? We are hoping to recruit 8-10 volunteer receptionists over the next six months, and we'd be honored to have you consider joining our team!

Of course we always have a need for our volunteer client advocates who, after completing our training, go on to meet with our clients who come in for pregnancy tests and ultrasounds.

And now we're hoping to add nurses to our team of volunteers. We would love to have some who would be "on-call" when a staff nurse might be out, and we are hoping to recruit some to serve in our prenatal clinics as that service becomes more established. If you are a nurse (or other medical professional), we'd love for you to consider serving with us.

2017: A Year in Review

Many thanks for everyone who gave so generously to our year-end campaign in December! This was the first year we had set a specific goal for year-end giving, and we were oh-so-close to reaching it! We brought in \$44,530 out of our goal of \$48,000, and we are grateful for these results. Praise the Lord for His perfect provision. Your support in 2016 allowed us to do the following:

- 1,990 total client visits
- 923 pregnancy tests
- 610 ultrasounds
- 657 appointments through our Earn While You Learn parenting education/mentoring program
- 51 people who accepted Jesus as Lord

We couldn't do it without the financial supporters and volunteers who make our work possible. Thanks for being a part of what God is doing through this ministry!

New Additions

Jesus said, "Let the little children come to me, and do not hinder them, for the kingdom of heaven belongs to such as these."

— MATTHEW 19:14 —

Many thanks!

Life Tree Success

Each year at Christmas, we have a Life Tree project. Local businesses and churches "host" one of our trees, and people can take an ornament that has the name of a baby item we need for our on-site baby boutique. This project helps us stock the store for the entire year ahead! We had tremendous results and are blown away by the generosity of our community.
